THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI E.V.K.S. This scheme, which became effective from 1st January, 2005 will remain in force upto 31st March, 2007. The total outlay earmarked for the scheme is Rs. 65 crores.

The scheme is expected to help the industry in changing the product mix to suit the demands of the export market. India is essentially a CTC tea producer whereas there is greater demand for orthodox tea in the international market. In order to induce the producers to produce more orthodox teas, incentive will be given at the rate of Rs. 3 per kg for leaf grades and Rs. 2 per kg. for dust grade orthodox teas. An additional subsidy at the rate of Rs. 2 per kg. will be provided for the incremental volume of orthodox tea produced.
